BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED	)	
GAS ADJUSTMENT FILING OF	)	CASE NO. 10398-L
MOUNTAIN UTILITIES, INC.	)	

O R D E R

On March 21, 1989, the Commission issued its Order in Case No. 10398 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On June 15, 1990, Mountain Utilities, Inc. ("Mountain") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective May 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Mountain's notice of June 15, 1990 set out certain revisions in rates which Mountain proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$123 or 0.21 cents per Mcf.

2. Kentucky West applied with the Federal Energy Regulatory Commission for decreased rates with an effective date of May 1, 1990. These rates are subject to refund; hence, Mountain's rates should be subject to refund.

3. Mountain should file with this Commission the amount of any overcollections received from May 1, 1990 to the date the approved rates are implemented, along with a refund plan.

4. Mountain's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 10398 dated March 21, 1989 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after May 1, 1990, subject to refund.

IT IS HEREBY ORDERED that:

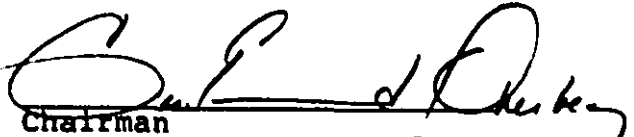

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after May 1, 1990, subject to refund.

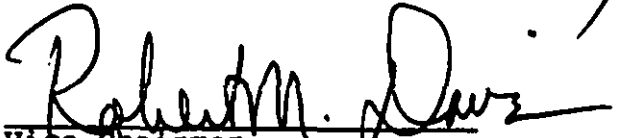

2. Within 30 days of the date of this Order, Mountain shall file with this Commission its revised tariffs setting out the rates authorized herein.

3. Within 30 days of the date of this Order, Mountain shall file the amount of excess revenues collected, along with a refund plan.
